Re: Goudie Fireworks Application for fireworks display.

Upon review of the application named above and using the same company and barge from the 4th of July for the fireworks display scheduled for Friday July 28th, 2017, located in the middle of Long Lake, we recommend approval of the request contingent upon the following:

- 1) Gen-X Fireworks Display Inc. is responsible for ensuring that NFPA 1123 is followed.
- 2) **No one will be allowed within 100' (feet) of the launch site/work area while crews are setting up the display.**
- 3) No one will be allowed within 100 yards (300') of the launch site during the display.
- 4) Smoking and open flame will not be permitted within 50' of the launch site. Exception: Items required for the ignition of the displays.
- 5) The display will not begin until all persons are clear of the no boating zone of Long Lake. The display will be stopped in the event anyone ventures onto that portion of the lake, and the display will not be resumed until that zoned area of the lake is cleared of people and watercraft of any type.
- 6) It is understood that the Fire Marshal or Fire Chief (AHJ) can revoke or restrict any approval to conduct an outdoor display whenever conditions such as site location, weather, traffic, communication, security procedures, available public protection, or other safety precautions make such action necessary to safeguard the health, safety, or welfare of the public.
- 7) Wherever any condition deemed hazardous by the Fire Marshal, Fire Chief, or the Operator arises; before, or during an outdoor display, the display is to be interrupted or postponed until the condition is corrected or the hazard is abated. Such conditions might include adverse weather conditions or crowd behavior.
- 8) Insurance as agreed upon by the Township of Hartland.
- 9) Approval and permitting by the Hartland Township Board.

Should you have any questions, or we can be of further assistance, please call us at your convenience.

Yours In Fire Safety,

Adam L. Carroll
 Fire Chief
