

# Hartland Township Board of Trustees Meeting Agenda Memorandum

Submitted By: Sharon Grech

Subject: Approve 2018 Strategic Plan & Staff Action Plan

Date: November 28, 2017

## Recommended Action

Motion to approve the 2018 Strategic Plan and Staff Action Plan.

## Discussion

As previously reviewed, this update extends action steps through the next fiscal year as we prepare for budgeting. The Staff Action Plan supplements these efforts. Many tasks will require further Board discussion, so I have also mapped out a tentative schedule of those work session topics. I look forward to our accomplishments for the benefit of our residents in the coming year.
